

THE
JJ KERAS
COLLECTION by **KOMPASS**

Kompass has teamed with Product Lifestyle expert JJ Keras to bring something innovative, new and exciting to the tumbler market. The JJ Keras collection is virtually indestructible, made in the USA, BPA free and made with FDA approved Tritan material.

The JJ Keras Collection by Kompass utilizes the MiLiOZ inside measurement system in our tumblers which transforms our stylish tumbler into a household tool. The JJ Keras collection has 20+ uses from portion control to crafting the perfect cocktail.

JJ Keras is a Nationally Recognized On-Air Entertaining and Lifestyle Expert. JJ is a frequent contributor to the Today Show covering the latest entertaining trends and gift giving ideas. She also appears on Good Morning America covering DIY holiday segments, and was a contributor to Southern Living's blog The Daily South, where she showcased the latest happenings in home entertaining. From drinking beergaritas with Jenna Bush and Hoda Kotb, to launching micahelskids.com, JJ covers all aspects of entertaining!

”
*I am proud that my collection is
made here in the USA!*”

MiLioZ is an inside measurement system for drinkware that allows the consumer to enjoy the benefits of having an attractive outside design and functional inside measuring cup. The purpose is to increase consistency that can be customized for everyone. We like to say that if it can be measured, it can be improved.
